Dear Mr. Mallory-Jones:

This office represents the Riverside County Flood Control and Water Conservation District, the County of Riverside and the Cities of Murrieta, Temecula and Wildomar ("Petitioners") with respect to the above-referenced petition, SWRCB/OCC File A-2456(i). The petition was placed in abeyance by Petitioners' request on December 6, 2016. I am writing to request that the petition continue to be held in abeyance for another two-year period effective on December 6, 2018, or until such time as Petitioners request that the petition be removed from abeyance.

Petitioners also would like to know the current status of the State Water Resources Control Board's own motion review of the Petition and those others filed concerning Order No. R9-2015-0100. Please advise me of that status at your earliest convenience.
